## **700 Series**

**More lift capacity**

**More drive speed**

**More power**

# AVANT 700 Series

## Speed and pulling force

Model	Wheel/ hydr. motor	Drive speed	Pulling force
AVANT 750	26 x 12.00 -12	22 km/h	1880 kp
	29 x 12.50 -15	25 km/h	1600 kp
AVANT 745	OMT 400	15 km/h	1100 kp
	OMT 500	12 km/h	1380 kp

## Width

Wheel size	750	745
27 x 8.50 - 15	1150 mm	1050 mm
26 x 12.00 - 12	1420 mm	1350 mm
29 x 12.50 - 15	1450 mm	1380 mm

Model	AVANT 745	AVANT 750
Length	2850 mm	2850 mm
Width	Look at the table	Look at the table
Height	2055 mm	2055 mm
Weight	1700 kg	1720 kg
Standard wheels	26x12.00-12" grass/TR	26x12.00-12" grass/TR
Transmission, drive	hydrostatic	hydrostatic
Auxiliary hydraulics oil flow	66 l/min	70 l/min
Turning radius inside/outside	900 / 2190 mm	900 / 2190 mm
Max. lifting height	2820 mm	2820 mm
Max. lifting capacity (hydr.)	2100 kp	2100 kp
Max. breakout force / 50 cm	1250 kp	1400 kp
Engine make and type	Kubota V2403	Kubota V2403
Engine output (ISO Gross)	36 kW (49 hp)	36 kW (49 hp)
Fuel	diesel	diesel

### **More lift capacity**

AVANT 700 series lifts AVANTs again to a new level. It can handle a 1.400 kg load without extra counterweights. AVANT 700 can safely and precisely lift and transport stone pallets, big bags and heavy round bales. AVANT's off center boom construction guarantees excellent, unrestricted field of vision to the work and attachment. Telescopic boom and hydraulic boom self levelling further improve load handling capabilities.

### **More drive speed**

The max. drive speed of the new AVANT 700 series is 25 km/h, which gives extra efficiency to many jobs. Thanks to this AVANT is now even more suitable for tasks where higher drive speed is important.

### **More power to attachments**

The cornerstone of AVANT's success is versatility: modular design of the basic machine together with over 100 attachments makes AVANT an unbeatable package.

Powerful auxiliary hydraulics is a key factor here. Auxiliary hydraulics oil flow of the new 700 series is as big as 70 l/min, and output of the diesel engine is 49 hp. You can be sure that there is enough power for driving and operating the attachment at the same time.
